Case No. A05-0174-CV (JWS)

Celeste Barras moves for a thirty-day enlargement of time on all presently existing deadlines in this case. This includes, but is not limited to, the December 30, 2005, deadline to submit initial disclosures and the January 6, 2006, deadline to submit settlement briefs.

The reason for this motion is the fact that a new counsel will be substituted for the undersigned in this case, and that counsel should be allowed sufficient time to familiarize himself with the case and proceed with it as he deems appropriate in his own professional judgment.

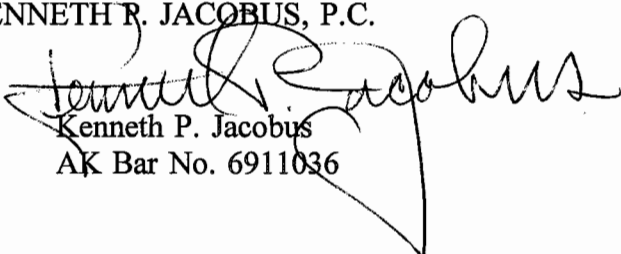

I discussed this motion today with Patricia Vacera, attorney for the defendants in this case, and she stated that she had no opposition to this motion.

This time enlargement should be granted.

Dated this 30th day of December, 2005.
